Heavens Little Treasures
Photo Release Form

Child's full name: _____

Photographs and videos are taken on different occasions such as birthdays, holidays, outings and special occasions, as well as everyday activities. We use these pictures/videos in our childcare home for teaching, arts & crafts, albums and various other things.

Please mark the appropriate boxes:

- The childcare provider may take photographs of my child:

☐ I give permission ☐ I do **NOT** give permission

- The childcare provider may take video of my child:

☐ I give permission ☐ I do **NOT** give permission

- The childcare provider may use my child's likeness in advertising or post photos/videos of my child on the daycare website, the daycare Facebook or Instagram page:

☐ I give permission ☐ I do **NOT** give permission

If permission to photograph or videotape is not granted, please be advised that your child may be unable to participate in certain activities we do where photographs or videos may be used. Selecting the option to NOT allow us to photograph your child is not a 100% guarantee that your child will not be around when photos are being taken of the whole group or other children. Please be advised that if your child does show up in a photo of another child, the provider will edit or blur your child's image before using it in any way.
